

“Recalibrating our compass”- The Academy 2020 4th-8th November

Pre-session questions

This set of questions is dedicated to those attending the session ‘Gender equality in event planning & communication’.

In order to make the session more valuable, we kindly ask you to look carefully to your organization (NSO/NSA/MO) and to answer to the following questions.

You might want to write your answers on your notebook/ device, for easier access in the (immediate) future.

How is the gender balance in leadership roles?

Are there any Scout activities recommended for a specific gender?

Are gender issues visible and how are they featured?

Do the promotional materials/ Social Media avoid gender bias and value the experience of all Scout members?

Which are the existing measures that promote gender equality in your Scout events?
